AMENDMENT

Dear Sir:

In response to the Office Action dated June 5, 2002, please amend the above
identified application as follows:

IN THE CLAIMS

Please amend claims 1, 4, 6, 9, 11 and 14 as follows:

1. (Amended) A balloon catheter comprising:

a catheter body comprising [at least one] an outer tubular member having [a] an
outer tubular wall and having a lumen extending throughout the length of the outer
tubular member, said outer tubular member further having a proximal end and a distal
end;

said catheter body further including an inner tubular member having a proximal
end, a distal end, and a lumen extending therethrough, said inner tubular member being
